Dear Mr. Hussien"

Thank you for emailing Former Vice President Gore and for including information about "Omni Search Services Ltd.'s" goals. Mr. Gore's work on environmental issues is critically important to him, and he welcomes your comments and suggestions.

We're always pleased to hear that others are taking the time to better inform themselves and others about the environmental challenges we are facing. We must continue in this effort not only for the future of our children, but for the future of our planet. Certainly, each one of us will benefit from a cleaner, more protected earth.

Again, thank you for thinking of Mr. Gore and keep up the important work that you are doing with "Omni Search Services Ltd.". Best of luck!

Sincerely,

The Office of the Honorable Al Gore and Mrs. Tipper Gore
2100 West End Avenue
