Dear Mr. Hussain,

Thank you for contacting the Bill & Melinda Gates Foundation. Your letter to Mr. Gates has been forwarded to me for reply.

We appreciate the time you have taken to share your ideas and suggestions with the foundation. As you may already know, the foundation's work stems from our belief that all lives have equal value. We think all people deserve the chance to live healthy, productive lives.

The foundation supports nonprofit organizations in the following areas:

- * The Global Development Program focuses on agriculture, financial services for the poor, and access to computers and the internet in national public libraries.
- * The Global Health Program concentrates on reducing disease in developing countries.
- * The United States Program works nationally in education, provides access to technology in public libraries, and works with community programs supporting at risk families in Washington state and the greater Portland, Oregon area.

 We invite you to visit our Web site periodically at www.gatesfoundation.org for more information about our programs.

Please accept our best wishes.

Sincerely,

 Stephanie Jones
Bill & Melinda Gates Foundation
