

BUCKINGHAM PALACE

5th September, 2008

Dear Mr. Hussein,

The Queen has asked me to thank you for your letter of 25th July.

Her Majesty was interested to read about the development of your company's website. I am afraid, however, that this is not a matter on which The Queen would comment.

I am sorry to send you a disappointing reply.

Yours sincerely,

Mrs. Senia Bonici

Mr. Mahmud Hussein.
