Dear Mr. Mahmud Hessein:

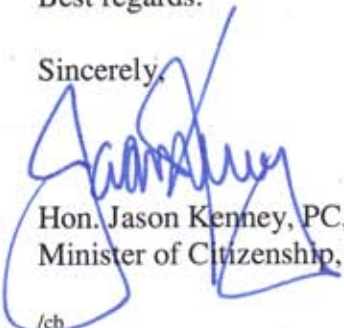

Thank you for your letter of March 24th. Your support on this matter is greatly appreciated.

While it is true that I am faced with many difficult decisions, any decision that results in impeding the spread of anti-Semitic or terror related sentiments is a decision that I am glad to make.

I find it encouraging that there are people such as yourself who actively promote the idea of peace and friendship. I hope you continue in your endeavours. I look forward to reading the enclosed copy of your book.

Best regards.

Sincerely,

Hon. Jason Kenney, PC, MP
Minister of Citizenship, Immigration and Multiculturalism.
