Mitch McConnell*

June 5, 2008

Dear Mr. McConnell

I would like to express my opinions to you and I am speaking to you under the privilege of The Freedom of Speech, Canadian Charter of Rights & U.S. Bill of Rights.

I would like to introduce myself as a ***peace activist, environmentalist, humanitarian & philanthropist***. I am writing this letter to you with the highest respect. I would like to share with you my concerns & solutions for the problems we face in our world today. The world of today is everlastingly changing, from our environment, poverty, food crisis, conflicts within nations and conflicts between nations. These problems are not getting resolved nor are they going away, but seem to be getting bigger and beyond our control. These situations have driven me to create ***Omni Search Services Ltd.***

***Omni Search Services Ltd.***, main goal is to create a better world thru educating and molding minds. Through ***Omni Search Services Ltd.*** I have developed a curriculum to educate children around the world. Through this new program my aim is to eliminate everlasting borders that fuel conflict based on race or religion. My dream is to begin educating our children of today, so that the future of tomorrow will be bright. Through the development of our programs my aim is to bring the world together as one people, to eliminate conflict. My vision is to cease focusing on our differences based on race and religion, and start focusing on our similarities as human beings.

The world of today is everlastingly changing, from our environment, poverty, food crisis, conflicts within nations and conflicts between nations. These problems are not getting resolved nor are they going away, but seem to be getting bigger and beyond our control. We as human beings are forgetting that we are all human beings; we have much more in common than we do differences and thus we should be focusing on our commonality. We need to come together and find solutions for the problems we face today, for mankind regardless of race or religion.

I welcome you to visit my website [www.omnisearch.org](http://www.omnisearch.org) to view my plan of action for a world peace solution, inclusive of every race and religion without borders. I would also invite you to visit my personal website [www.mahmudhussein.com](http://www.mahmudhussein.com) & my business website [www.mhcrudeoil.com](http://www.mhcrudeoil.com)
